

MY HOME. MY ENERGY. OUR CLIMATE.

SAVE UP TO 80% ON ENERGY COSTS WITH SOLAR POWER

The new SMA ENERGY SYSTEM - HOME helps you cut your energy costs instantly and over time by allowing you to harness the unlimited power of the sun to generate free and environmentally friendly solar power. This will ensure your independence from electric utility companies and you will not have to worry about rising energy prices.

Generate solar power for optimal consumption

Store solar power and use it flexibly

Manage and distribute solar energy

Refuel by using solar power

Heat with solar power

SMA ENERGY SYSTEM – HOME

BENEFITS

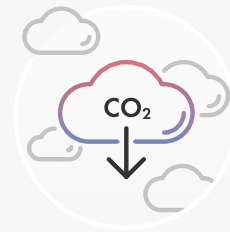

Up to 80% lower energy costs

Protection against rising energy prices

Additional income from grid feed-in

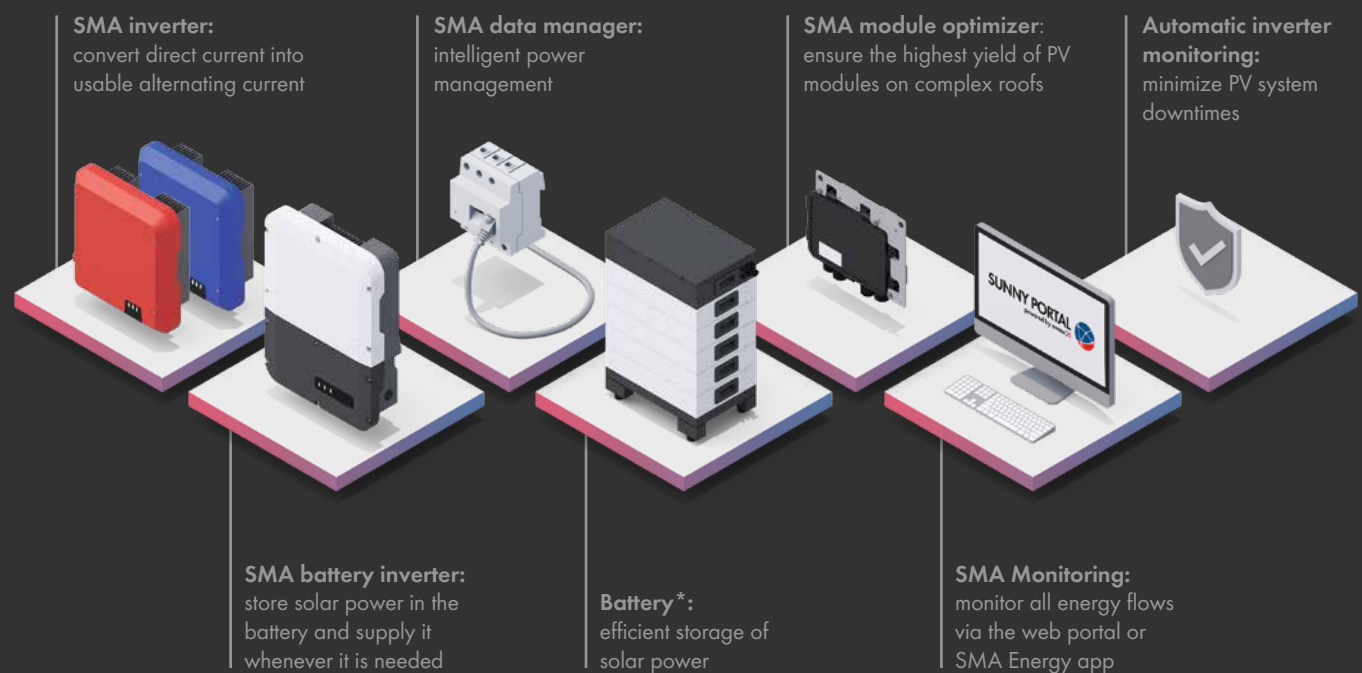

Personal contribution to climate change and conserving resources

ONE SYSTEM. EVERYTHING FROM A SINGLE SOURCE.

The new ENERGY SYSTEM – HOME has a modular structure with perfectly matched components from a single source. In addition to hardware, it features convenient solutions for monitoring and controlling via the web portal or SMA Energy app.

You can start with the comprehensive system or a smaller solution and gradually expand it, depending on what best suits your needs and budget.

COMPONENTS

*System batteries will be provided by cooperation partners.
